REFLECTIONS

OPENING REFLECTION Make a list of the top five things people idolize today. What makes these "false gods" so tempting? How do they compare to the one true God?

EXODUS 7:1–7 What words or phrases from this section reveal God's immediate purposes, and then His grand purposes, for the signs and wonders (plagues) He's about to perform? What is God ultimately doing here?

EXODUS 7:8–13 Why do you suppose God began His string of signs and wonders with such a simple miracle? What might this tell us about how God chooses to work?

EXODUS 7:14–19 Looking at the text, try to identify the different ways that the Nile was so important to Pharaoh and the people of Egypt. With this in mind, what message was God sending to Pharaoh by temporarily turning the Nile to blood?

EXODUS 7:20–25 What are the consequences for Pharaoh not taking God's signs and wonders to heart? What happens in the world and in our lives as God's people when we fail to acknowledge the true God as Lord of all?

FINAL REFLECTION How did the events of the plagues on Egypt demonstrate God's ultimate authority as the one true God?
