## REFLECTIONS

**OPENING REFLECTION** What do you think it means to be satisfied with life? What makes you most satisfied with life and least satisfied with life? Why is that?

**EXODUS 17:1–3** What, do you suppose, was the "test" that Moses refers to here? How might we act foolishly in a similar way today?

**EXODUS 17:4–6** When God shows up in a visible form before His people, as in this case, it generally signifies something major going on. What might be the significance of God's presence here at this miracle?

**EXODUS 17:7** Moses left names for places where important events happened. What, in particular, do the names of the places in this narrative signify about who God is and how He works among His people?

**FINAL REFLECTION** Consider how God satisfied the needs of His people in the wilderness and thank Him for how He satisfies your needs today.
